Bemærk:
 Dette er kun et konstruktionsforslag til placering af motoren samt motorbeslagene. Det er til hver en tid op til den enkelte afprøve om den givne konstruktion kan fungere i det konkrete tilfælde. Ophavsretten til denne tegning tilhører WindowMaster International A/S. Tegningen må ikke uden forudgående tilladelse fra WindowMaster International A/S kopieres videre til tredje part. Af hensyn til sikkerheden skal der monteres sikkerhedsbeslag på bundhængte vinduer.

Note:
 The above illustration is merely a suggestion for positioning of the motor and the motor brackets. It is up to the installer, in each specific case, to test whether the given design will function. This drawing is the property of WindowMaster International A/S. This drawing must not, without prior permission from WindowMaster International A/S, be copied to third parties. For safety reasons, opening restrictors must be fitted on bottom-hung windows.

Achtung:
 Die hier dargestellten Profile, die Positionierung der Motoren sowie deren Beschläge verstehen sich als Konstruktionsvorschlag und sind vom Anwender auf Ausführbarkeit zu prüfen. Zeichnungen mit dem Vermerk Konstruktionsvorschlag sind vom Anwender auf Richtigkeit sowie Aus- und Durchführbarkeit eigenverantwortlich zu prüfen.
